

Dallas Cosmetic Medicine & Surgery
Meeting
March 10-11, 2022

This activity is jointly provided by Medical Education Resources and Dallas Cosmetic Surgery and Rhinoplasty Meetings.

This activity is supported by educational grants and/or in-kind product donations from:

Education Grants	In Kind Product
Allergan, Inc.	Botox , Juvederm Ultra XC, Juvederm Ultra Plus XC, Juvederm Voluma XC, Juvederm Voluma TSK Cannula and needle kits, Juvederm Volbella, Juvederm Vollure XC, Kybella Skin marking grid
Endo Aesthetics	QWO
Evolus	Jeuveau
Galderma Laboratories, L.P.	Dysport®, Restylane® Lyft, Restylane Kysse, Restylane® Refyne, Restylane® Defyne, Restylane®, Restylane Contour, Sculptra Aesthetic
Merz Aesthetics	Radiesse® (+) with integral 0.3% Lidocaine Radiesse® 1.5cc syringe (without integral Lidocaine) Xeomin incobotulinumtoxinA® Cosmetic 100U

Target Audience

Cosmetic Symposium - Plastic Surgeons, Facial Plastic Surgeons, Otolaryngologists, Oculoplastic Surgeons, Dermatologists, Residents, Non-Physician Providers (Registered Nurses, Physician Assistants, Nurse Practitioners and Aestheticians) working in the office of a Board-Certified physician in the above specialties

Statement of Need

To teach physicians and residents how to achieve safe and reproducible aesthetic results and highlight the latest techniques and advances in cosmetic surgery including face, breast and body contouring procedures. Attendees will become familiar with the latest techniques and advances in cosmetic surgery. The focus will be on controversies and advances in facial, breast and body contouring procedures including the use of fat for augmenting the face, breast and buttock. A live demonstration of the use of injectables, including new products on the market, will allow for a broad overview of products, facial analysis, and techniques. A cadaver course will be available to highlight the surgical techniques described.

Learning Outcome

To update training as necessary to learn how to implement safe practices into new and emerging techniques and technologies.

Educational Objectives: After completing this activity, the participant should be better able to:

- Describe advanced techniques utilizing Botulinum Toxin Type A and soft tissue fillers for facial enhancement
- Integrate new implant options for breast augmentation and breast shaping using new breast lift techniques
- Discuss the use of fat grafting to enhance the face, breast and buttock
- Apply a “hands on” tool to practice the techniques discussed in a cadaver model
- Identify new technology and patient safety in lasers, IPL, vaginal rejuvenation, noninvasive fat removal, skin tightening, cellulite, dermal fillers and advances in skin care.
- Identify and assess current and emerging therapies and their role in successful patients consultations
- Prepare combination treatments for improved patient satisfaction Identify

- Distinguish appropriate practice management techniques for a successful medical practice and improved patient-clinician communication.
- Discuss treatment options within a realistic framework of potential outcomes, and patient expectations

Accreditation Statement

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity has been planned and implemented by Medical Education Resources (MER) and Meeting Designs. MER is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physician Credit Designation

Medical Education Resources designates this live activity for a maximum of 18 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Nurses Credentialing Center (ANCC) Credit Designation

Medical Education Resources designates this live activity for a maximum of 18 ANCC nursing contact hours. Nurses will be awarded contact hours upon successful completion of the activity.

American Academy of Nurse Practitioners (AANP) Credit Designation

The American Academy of Nurse Practitioners (AANP) Certification Board recognizes and accepts continuing education (CE) 18 contact hours from activities approved by AMA, ACCME, ANCC, AANP.

Physician Assistant Credit Designation

Medical Education Resources has been authorized by the American Academy of Pas (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 18 AAPA Category 1 CME credits. Pas should only claim credit commensurate with the extent of their participation.

Disclosure of Conflicts of Interest General Session

Medical Education Resources insures balance, independence, objectivity, and scientific rigor in all our educational activities. In accordance with this policy, MER identifies conflicts of interest with its instructors, content managers, and other individuals who are in a position to control the content of an activity. Conflicts are resolved by MER to ensure that all scientific research referred to, reported, or used in a CME activity conforms to the generally accepted standards of experimental design, data collection, and analysis. MER is committed to providing its learners with high-quality CME activities that promote improvements or quality in health care and not the business interest of a commercial interest.

The **faculty** reported the following financial relationships with commercial interests whose products or services may be mentioned in this CME activity:

Name of Faculty	Reported Financial Relationship
William Adams, Jr, MD	Ownership Interest/Shareholder: Tepha
Jamil Ahmad, MD	Consulting Fees: Allergan, Mentor, InMode, Venus Concepts Royalty/Patent Holder: Thieme
Christopher Chia, MD	Ownership Interest/Shareholder: InMode Corporation
Suneel Chilukuri, MD	Grants/Research Support: Allergan, BTL, InMode, Prolenium, Sciton Consulting Fees: Aerolase, AMP, Allergan, BTL, Clarity, Crown, Eclipse, Evolus, Galderma, InMode, Merz, Prolenium, PCA, Revance, Sceintis, Sciton, Skin Medica, ZO Skin Speakers’ Bureau: Aerolase, AMP, Allergan, BTL, Clarity, Crown, Eclipse, Evolus, Galderma, InMode, Merz, Prolenium, PCA, Revance, Sceintis, Sciton, Skin Medica, ZO Skin
Daniel Del Vecchio, MD	No financial relationships to disclose
Dino Elyassnia, MD	No financial relationships to disclose
Steven Fagien, MD	Consulting Fees: Allergan, AbbVie, Evolus, Merz, Revance, Alastin
Ashkan Ghavami, MD	No financial relationships to disclose
Michael Gold, MD	Consulting Fees: Aerolase, AMP, Aesthetic Bio Medical, Alastin, Allergan, Almirall, Bausch Health, BrandMD, Croma, Dermaroller, Endo Aesthetics, EndyMed, , Galderma, Hugel, InMode, Leo Pharm, Lumenis, Merz, Mindera, MTF, NanoPass, Neauvia, Nutrafol, Pierre Fabre/Glytone, Revision, Prescriber’s Choice, Revance, Revision Skin Care, Rohrer Aesthetic, Sciton, Sensus, Sente, Skinbetter Science, SkinCeuticals, Skin Medica, Sofwave, Soliton, Stratpharma, Suneva, Topix, Venus Concepts
